Dear Parents,

Our commitment is to provide your child with an enriching educational experience. To that end, we have a fundraising goal of \$XX,XXX for XXX XXX XXXX. To raise the needed funds, we have implemented an exciting new fundraising program that takes advantage of something we do almost every day: shop. It's free, easy and convenient, and it can help put us closer to realizing our goals.

This exciting program is the CCU 4 Schools Rewards Visa® Credit Card, brought to us by California Credit Union. With the School Rewards Visa Credit Card, every time you buy something as simple as gasoline or groceries, you're helping raise much-needed funds for our school.

In fact, when you designate our school, 1% of all your annual purchases will be rebated directly to our school.\* These rebates can really add up. **Just 500 cardholders can help raise \$30,000 for California school children in one year.\*\*** There's no limit to the fundraising potential. But the most important part of the puzzle is your support. We can't do it alone.

Aside from the tremendous satisfaction you'll get from benefiting your own child's school, there's something else in it for you: a great credit card. The CCU 4 Schools Rewards Visa Credit Card is packed with benefits and offers a fantastic, low rate.

#### You'll also enjoy:

- No annual fee or enrollment fee
- Generous credit lines
- Interest-free grace period
- Acceptance worldwide

In short, it's a win-win – for you and your child. I encourage you to help us raise funds for our goal by applying for your CCU 4 Schools Rewards Visa Credit Card today. Just complete and return the enclosed application or apply online at [ccu4schools.com](http://ccu4schools.com).

Sincerely,
